Dear Mrs. Manley:

In acknowledgment of your letter of the twenty-seventh, I have to first apologize for the delay in answering as I have been away from my office.

I would like very much to take this matter up at our next Board meeting, which may not be until sometime around November 24. After I have had an opportunity of going into the subject, I will discuss it further with you.

Thank you very much.

Sincerely yours,

Herbert I. Hoer
President.
